

## Opportunity for Experienced Dog Trainers

Opportunity for a self motivated, enthusiastic trainer at a dog training facility located in Somerset County. The candidate will have the ability to work individually with dogs as well as teach group classes. The candidate needs to have experience teaching puppy to advanced behaviors. The candidate should be able to manage an effective classroom by teaching both people and their dogs simultaneously. Must have the ability to conduct an assessment and implement a training program based on the client's request as well as the needs of the dog, and be able to communicate back to the client. We will help you to continue to expand your knowledge and further your education/experience, providing the opportunity to learn from our seasoned trainers.

Responsibilities will include, but are not limited to:

- Teaching group classes
- One-on-One training either during our day training program or conducting private lessons with clients
- Verbal and written communication with clients
- Write and revise curriculum
- Flexible hours, approximately 20+ per week required.

**MUST HAVE EXPERIENCE IN POSITIVE REINFORCEMENT TRAINING AND HOLD A CERTIFICATION OR BE WORKING TOWARDS CERTIFICATION.**
