

Opportunity for New Dog Trainers

Opportunity for a self motivated and eager-to-learn trainer at a dog training facility located in Somerset County. You will have the ability to work side by side with experienced, qualified, certified dog trainers and be given ample opportunity to observe various kinds and levels of classes, as well as private sessions for specialized behaviors. We will help you expand your knowledge and further your education/experience. The candidate needs to have the ability to teach behaviors typically included in a Basic class curriculum.

Responsibilities will include, but are not limited to:

- Supervising Playgroups
- One-on-One, hands on, training with dogs of all ages and varieties
- Communicating with clients
- Learning to write and revise curriculum
- Help with set up, breakdown and clean up of classes and sessions including preparing the training ring for the next trainer/class
- Observe and assist with group training classes
- Flexible hours, approximately 20+ per week required

MUST ADHERE TO POSITIVE REINFORCEMENT TRAINING METHODOLOGY AND CURRENTLY BE WORKING TOWARDS CERTIFICATION.
